**Changes to Mass**

**Q:** Why do we make changes in the Mass? Some seem so small and unimportant. Are they really necessary?

**A:** The celebration of the Eucharist is at the heart of our identity as Catholics. Our purpose as a Church community revolves around the Eucharist. Everything we are and everything we do is measured not only by how well we celebrate, but also by how well we live the sacrament. If that is so, then we as a community will always strive to celebrate the Mass as best we can. The reasons for some changes might seem more obvious than others, but there is a reason behind each one. The General Instruction of the Roman Missal is the introduction to the Missal that contains all the prayers for the celebration of the Mass. The Order of Mass we use now was issued in 1975 and, as often happens over the course of years, some questions have come up about the proper way of doing some things and whether or not other practices are acceptable. These changes clarify some things and make the celebration of the Mass more meaningful for everyone. The opportunity is presented to us to better learn and understand each part of the Mass, which in turn should help us deepen our appreciation for its beauty and meaning. We will be a better Church if we have a clearer understanding and knowledge of Who and what we celebrate.
